**Agency Description and Programs**

North Mississippi Regional Center operating under the governing authority of the State Board of Mental Health offers a comprehensive array of services to Mississippians with intellectual or related developmental disabilities (IDD) who reside in the designated northern catchment service area.

**1. IDD - Institutional Care**

This program component is fully licensed as an Intermediate Care Facility for Individuals with Intellectual Disabilities/Developmental Disabilities (ID/DD). This program provides the following services: Medical (Physician Services), Nursing, Nutritional Services, Occupational Therapy, Physical Therapy, Pharmaceutical Therapy, Psychiatric Services, Psychological Therapy and Treatment, Pre-Vocational/Vocational, Recreational Therapy, Residential Living, Speech and Language Treatment, and Social Services. These services are provided to citizens who reside in the northern twenty-three (23) counties of Mississippi.

**2. IDD - Group Homes**

The North Mississippi Regional Center provides residential services in communities to twenty-four (24) individuals by operating six (6) group homes located in Bruce, Corinth, Oxford, and Tupelo. Additionally, twenty (20) community ICF/MR homes operate under the IDD - Group Homes Program Component. These community programs allow individuals the opportunity to live and receive services nearer their families and loved ones. The clients are offered the opportunity to work at local work activity centers operated by the North Mississippi Regional Center and/or competitive employment placement.

**3. IDD - Community Programs**

NMRC's Diagnostic Services Department offers evaluations, diagnoses, and referrals for appropriate Center or community-based services. Referrals are made to both public and private providers. The Community Home Based Wavier Department provides support coordination for approximately 550 people receiving IDD services through the Medicaid waiver program. Targeted case management is provided to individuals living in the community receiving IDD services.

**4. IDD - Support Services**

This program provides administrative departmental oversight and responsibility for the entire operation of the North Mississippi Regional Center. This oversight includes departments whose specific job functions are utilized with all three (3) of the other program components. It is the primary responsibility of the administrative staff to ensure continued licensure so that clients with intellectual and developmental disabilities receive appropriate care and services to meet their identified needs. In addition, the administrative staff is responsible for meeting all regulatory and administrative requirements including the fiscal operation of the facility.
