Agency Description and Programs

The General Education Consolidated budget includes all program areas administered by the State Department of Education except for the Mississippi Adequate Education Program (MAEP), Vocational and Technical Education, Chickasaw Interest, and Schools for the Blind and Deaf. In Fiscal Year 2007, the Legislature moved the funding for the Critical Teacher Scholarships Program to the Institutions of Higher Learning - Student Financial Aid, and the funding for the Youth Challenge Program directly to the Military Department - Camp Shelby Base Operations. During the 2014 Regular Legislative Session, the Legislature moved funding for the Teacher Education Scholarship to the Institutions of Higher Learning - Student Financial Aid.

1. Special Education

This program provides for the screening, evaluation, and education of all children with disabilities within public school districts, other state agencies, private and parochial schools and ensures the delivery of these services by providing necessary training and monitoring.

2. Child Nutrition

This program provides leadership, guidance, training and technical assistance for local school districts, daycare centers, head start centers and residential child care institutions (RCCI) through administration of eight (8) programs under the United States Department of Agriculture (USDA), Food and Nutrition Services (FNS) ensuring that every child is provided a well-balanced meal for the promotion of health and to foster a quality of learning.

3. Special Projects

This program provides financial oversight of state funds disbursed to entities who are not under administration of the Department of Education, as determined through appropriation by the Mississippi Legislature.

4. Compulsory School Attendance

This program is responsible for the administration of a statewide system of enforcement of the Mississippi School Attendance Law (Section 37-13-91, Mississippi Code) and for the supervision of school attendance officers throughout the state.

5. General Administration

This program is responsible for providing resources and technical support to Mississippi's public school system.

6. Graduation and Career Readiness

This program provides resources to help increase the number of students exiting high school ready for post-secondary opportunities (college or career related) by providing curriculum, professional development, and technical assistance for program improvement to strengthen the career pathways both academically and through career and technical education.

7. Special Schools

This program is responsible for providing educational opportunities for academically gifted and talented high school students in residential settings at the Mississippi School for Math and Science and the Mississippi School of the Arts.

8. Early Childhood Education

This program is responsible for providing early childhood education evaluation, professional development, policy development, resource development, stewardship, research, and advocacy strategies to produce high-quality early childhood education programs in public schools and collaboratives to increase access to high-quality programs.

9. Teacher Training and Professional Development

This program is responsible for providing training through the State Department of Education for local school district administrators and teachers to ensure that every school has effective teachers and leaders.

10. Elementary Education

This program is responsible for providing assistance to district personnel in improving classroom instruction through the development, revision, and training of Mississippi Curriculum Frameworks. Through training development, help district personnel implement state standards, as well as best practices for improving student achievement.

11. Secondary Education

This program is responsible for providing assistance to district personnel in improving classroom instruction through the development, revision, and training on Mississippi College- and Career-Readiness Standards in both Academic and Career Technical Education (CTE).

12. Assessment and Development

This program is responsible for providing administration of all state and federally mandated assessment programs for students in Mississippi's public schools and the development of policy and accountability systems so that all students are prepared to compete in the global community.

13. Federal Program (COMP ED)

This program is responsible for providing technical assistance, monitoring, evaluation, and program improvement to school districts who are implementing Title I programs and to provide leadership in the effective use of federal funds so that all students are prepared to compete in the global community.

14. School Performance

This program is responsible for providing support for systemic improvement of the lowest performing schools and districts in the State of Mississippi, as well as all turnaround efforts in the state.
