**Agency Description and Programs**

The agricultural unit at Alcorn State University is the primary unit responsible for the land-grant functions of the university in the areas of teaching, research, and extension. The Alcorn Agricultural Programs seek to create knowledge through research and the adaptation, adoption, and dissemination of such knowledge through extension.

**1. Research**

This program provides the resources necessary to carry out a comprehensive program in agricultural related basic and applied research, extension, and public service, and teaching to meet the needs of farmers, farm families, rural and urban dwellers, and students who are being prepared for professions in agricultural related fields in the private sector, government, and entrepreneurs.

**2. Public Service**

This program provides teaching and training through extension services. The primary objective of the program is to carry out a comprehensive effort in extension service and teaching in the areas of leadership and community and economic development to meet the needs of farmers, farm families, rural and urban dwellers, and students, especially those with limited resources.
