1 - ARMORY REPAIR MAINTENANCE

AGENCY NAME

PROGRAM NAME

I. Program Description:

To provide for the maintenance, repair and minor construction (alterations, additions and renovations) for the 89 existing Armories located in 90 communities throughout the state.

II. Program Objective:

To ensure that the Armories can adequately support the missions of the National Guard units strategically located statewide in our cities, towns and communities. An Armory is a multi-purpose facility that supports the operation and training for small units (Military outposts). It serves as a readiness center, weapons and equipment secure storage facility; an operation center for disaster assistance or shelter; a community center for public meetings, food distribution or other community support.

III. Current program activities as supported by the funding in Columns 6-15 (FY 10 Estimated & FY 11 Increase/Decrease for continuations) of MBR-1-03 and designated Budget Unit Decisions columns of MBR-1-03-A:

(D) Armory Repair and Maintena:

Funding is needed in this Budget unit if critically necessary repairs and maintenance problems are to be resolved for all Armories throughout the State. For several consecutive years this Budget has gone unfunded. The Military Department has a significant backlog of maintenance and repairs. Every State dollar budgeted in this program for maintenance and repairs is matched by a Federal dollar.
