PROGRAM NAME

I. Program Description:

The MPACT Program manages the Mississippi Prepaid Affordable College Tuition Plan, under which Mississippians may pay in advance at current rates for some of the costs associated with higher education for their children and grand children and receive a guarantee from the State as to the payment of tuition and fees at State-supported institutions at the time of college enrollment. It was authorized under SB 2237, Laws of 1996, Miss. Code Annotated Section 37-155-1 et seq. The MPACT Program is administered within the State Treasury Department under policies established by the College Savings Plans of Mississippi Board of Directors.

II. Program Objective:

The objective of the MPACT Program is to assist Mississippi families in saving for college educations. This objective is accomplished by effectively promoting and marketing MPACT contracts to the people of Mississippi, earning the highest possible return on investments of the MPACT Trust Fund without incurring inappropriate levels of risk, ensuring that the MPACT Trust Fund remains actuarially sound, and effectively managing the processing of applications, collection of contract payments from purchasers and distribution of tuition payments due to colleges and universities.
