Program Narrative

The Offices of Vocational Rehabilitation and Vocational Rehabilitation for the Blind are allowed, by federal and state program mandates, to enter into cooperative agreements with entities serving disabled individuals. The source of the federal funding is the Title I, Section 110, Basic Support Grant (State Treasury Funds 3330 and 3235), with required matching funds (currently 21.3% for establishment and 50% for construction grants) provided by the cooperating entity. By allowing cooperating entities to provide the matching funds, the Department is able to maximize services using non-general funds. In the past, grants of this type have been awarded to such entities as LC Industries/Signature Works, the T.K. Martin Center for Technology and Disability at Mississippi State University, MS Industries for the Blind (MIB), Goodwill Industries, and various county Board of Supervisors.
