OTHER SPECIAL FUNDS

The Athletic Commission receives all revenues from collection of license fees and taxes on gate receipts from professional boxing and wrestling shows. The decline seen after the coastal disasters is slowly reversing and revenue is increasing each year.

TREASURY FUND/BANK

This account serves as a clearing account prior to making deposits into the State Treasury. At June 30th the account balance was \$25,000. The Commission has since transferred all but \$3,000 to the State Treasury.

NARRATIVE
2016 BUDGET REQUEST

ATHLETIC COMMISSION

Name of Agency

The Mississippi Athletic Commission sanctions and regulates all boxing, mixed martial arts, wrestling and all contact fights that occur in Mississippi. The goal and mission of the Commission is to maintain the integrity of these sports and to protect reputation that the Commission has worked to achieve.

The Commission is persistent in its efforts to expand the number of venues and events hosted in Mississippi as economic conditions continue to have an effect on our industry and as the market for these type of events wanes.

The Commission instituted numerous cost saving measures in the past few years to adjust for the market changes. These measures included eliminating one full-time position and utilizing contractual assistance from contract workers, independent consultants and Commission members in place of a full-time employee. We have also implemented online licensing for all licensing functions of the agency and are implementing a paperless office system to reduce the need for clerical assistance.

Due to these cost saving measures, the Commission's FY15 appropriation request was at the FY14 level. In FY16 we are reducing our budget request budget by almost 6%. This is largely due to the fact that professional information technology services can be reduced as the paperless office system is fully implemented and only maintenance costs will be needed in the future. A summary of each major object expenditure category is provided below.

Salaries

The Commissioner serves as the only employee of the agency and has oversight for agency operations. There are two Deputy Commissioners for the agency. Since Commission members are performing more of the office operations and assist with event oversight, the per diem costs have increased as employee salary costs have decreased. The per diems will be higher in FY15 than was expended in FY14 as more duties are being assumed by them; however, this line item will remain consistent from FY15 to FY16.

Travel

The majority of all travel expenses occurs when agency personnel oversee wrestling, boxing, mixed martial arts and other events held in Mississippi. As new events and venues are added, travel costs increase. In FY14 the Commissioners and its referees were able to attend training sessions and other industry related seminars. We anticipate this to continue in FY16; therefore the travel budget will remain the same from FY15 to FY16.

Contractual

The Commission has added contractual assistance in lieu of hiring staff in order to reduce the expenses of the agency. Individuals and firms working on a contractual basis are only paid when services are rendered and the Commission is not required to pay insurance and retirement benefits for these individuals.

In addition to reducing the staff, the office has also begun reducing its filing requirements as it is implementing a paperless office system. Our efforts in this regard have been augmented with completion of the first phase of the state's new accounting system (MAGIC). During these transitional years, we have budgeted for services to assist us digitize our records, implement a paperless system and also to salvage paper records.

The Commission is projecting the need for less contractual services in FY16 and is requesting an almost 15% reduction in this area.

Commodities

The agency has not requested an increase in its commodity line items for several years. We will be able to maintain

our FY15 anticipated spending level in FY16.

Equipment

The Commission has purchased laptops for use by event officials which enables the officials to record the activities of the events without having to submit reports to the office and thereby enhancing the office's migration to a paperless system. One additional laptop will be purchased in FY15. Additionally, the office will be replacing its printer and scanner in FY16 due to the paperless office requirements. The \$5,000 equipment budget for FY15 will not need to be increased for FY16.
