Agency Description and Programs

The 1973 Regular Legislative Session under Section 73-6-1, Mississippi Code of 1972, established the Board of Chiropractic Examiners. The Board regulates the practice of chiropractors, chiropractic assistants, and chiropractic radiological technologists by establishing qualifications and administering examinations before licensing. The Board consists of six-members and funded entirely through the receipt of fees from the issuance of licenses and license renewals.

1. Licensure and Regulation

This program renews licensed chiropractors, chiropractic assistant certificates, chiropractic radiological technologists, and all chiropractic claims reviewer certificates. The Board also renews and regulates externs, preceptors, interns, travel to treat certificates, and emergency doctor certificates. In addition, it is the duty of the Board to regulate the activities of the licensees including investigating complaints, holding hearings, and regulating and overseeing the actions of the doctors to ensure compliance with the law, rules, and regulations of the Board.
