Agency Description and Programs

Section 47-7-17, Mississippi Code of 1972, allows the Parole Board to institute policies, rules, and regulations consistent within the law, which will serve to establish and maintain an avenue of input into the parole process, which may be used by victims, offenders, and others affected by parole decisions.

1. Parole Board

This program compiles and reviews organized, factual information on a timely basis in order to select possible candidates for completing their sentences while released on parole. Parole is granted when the Parole Board is satisfied that the offender being considered is capable of being law-abiding and productive, always with the goal of ensuring the safety and the well-being of the citizens of the State of Mississippi.
