Agency Description and Programs

The Local Provider Innovation Grant Program was created in Senate Bill 2820 of the 2022 Regular Legislative Session to strengthen and improve the healthcare system and increase access to healing care providers to help communities achieve and maintain optimal health by providing transitional assistance to providers. Grant applicants must show evidence that the provider played an active role in the community to combat the spread of COVID-19.

Senate Bill 3060 of the 2022 Regular Legislative Session appropriated \$25,000,000.00 to the State Department of Health – Local Provider Innovation Grant Program to operate this grant. These funds were appropriated through the Coronavirus State Fiscal Recovery Funds (CSFRF).

1. Local Provider Innovation Grant

This program strengthens and improves the healthcare system and increases access to healing care providers to help communities achieve and maintain optimal health by providing transitional assistance to providers.
