Agency Description and Programs

The Public Utilities Staff was reorganized under Section 77-2-1, Mississippi Code of 1972, and became separate and independent from the Public Service Commission (PSC). The Utilities Staff functions are outlined in Section 77-2-9, Mississippi Code of 1972, to provide investigative and advisory services to the PSC by conducting audits, reviewing filings, investigating public utilities, and making recommendations regarding cases before the Commission. In the 2016 Regular Legislative Session, the Legislature passed Senate Bill 2362, the Mississippi Budget Transparency and Simplification Act of 2016, which changed the support for the Public Utilities Staff to be provided by the General Fund.

1. Utility Investigative Services

This program administers all duties and procedures concerning the execution and enforcement of the laws, rules, orders, directives, duties, and obligations imposed for the control and government of the utility industry within the State of Mississippi.
