1 - INSTRUCTION

AGENCY NAME

PROGRAM NAME

I. Program Description:

The Mississippi Judicial College is responsible for providing training and support to all State Court personnel, including but not limited to, judges, court clerks, court administrators and court reporters. Its purposes are:

- a) Training and education for the courts of Mississippi and related personnel
- b) Providing technical assistance to the courts of Mississippi
- c) Providing information to the legislature on the needs of Mississippi Courts

II. Program Objective:

The main task of the Mississippi Judicial College is providing continuing education and technical assistance to the entire Mississippi state court system. State law and Supreme Court order mandate that the Judicial College provide state court judges and support personnel with a varying number of continuing education hours each year in order to satisfy the mandatory education requirements. The Judicial College handles all aspects of seminar preparation, including all logistics and education requirements. The Judicial College provides technical assistance to the state court system by publishing and disseminating desk books and other research material, working on special court-related projects and providing legal research when called upon to do so. The Judicial College is an invaluable resource for the Mississippi Court system.

III. Current program activities as supported by the funding in Columns 6-15 (FY 11 Estimated & FY 12 Increase/Decrease for continuations) of MBR-1-03 and designated Budget Unit Decisions columns of MBR-1-03-A:**(D) Core Operations:**

The State Court Education Program (SCEP) requests a priority increase in the contractual services category. MJC has been mandated to provide additional training hours for justice court judges which will necessarily increase training costs. The majority of the constituent program costs are incurred in the contractual services category. This category is a top priority due to the increase in hotel costs, mileage expenses, meals, etc. MJC has also been charged with additional training hours for some judges.

2012 BUDGET REQUEST**

UM - STATE COURT EDUCATION PROGRAM

Name of Agency

In 1981, the Mississippi Legislature created the State Court Education Fund in Section 37-26-9 of the Mississippi Code. This fund was created to support the Mississippi Judicial College, which provides: training and education for the courts of Mississippi and related personnel; technical assistance to the courts of Mississippi; and information to the legislature on the needs of Mississippi courts. Our funds are appropriated to the Institutions of Higher Learning with a line item directed for the State Court Education Program.

Mississippi statutes and court rules mandate that the Judicial College train and educate all personnel of the court system. This includes over 2,800 judges, court clerks, court administrators, court reporters, and youth court professionals. The Mississippi Judicial College also publishes handbooks and manuals for various court personnel groups. Mississippi Judicial College published the Legal Terminology book - both in large print and regular print. This reference guide was designed to assist non-lawyer court personnel and judges. As the law inevitably changes, Mississippi Judicial College's task is to effectively and efficiently educate our constituents on those changes. This responsibility is enormous and continuously growing.

In addition to performing its statutory educational function, the Judicial College focuses on providing enhanced educational projects and special training seminars. The end result of our special training projects is a better trained and more efficient judicial system. In the upcoming year we plan to conduct special projects dealing with implementing improved youth court strategies, fine and cost collection in state courts, computer innovation with respect to public information, and special seminars with the Mississippi court personnel.

The foregoing information is a prelude to the Mississippi Judicial College's requests for a budget increase of \$31,657 for the 2012 fiscal year. Program costs are continually increasing, in part, due to economic conditions resulting from local and national disasters and the economic climate in general. Gas prices are reaching an all-time high, and lodging costs are soaring due to the lack of facilities available in the southern part of the state. This increase will help enable the Judicial College to continue to provide the mandated educational services at the current level of efficiency and quality and include the various special projects mentioned above. Funding the requested increase, and in fact, the Mississippi Judicial College's entire budget request, will be generated from special assessments, and therefore will not require any general fund revenue.

FEES, PROFESSIONAL AND OTHER SERVICES

The Mississippi Judicial College contracts with various hotels around the state to provide the site for the judicial education being provided to all court personnel inclusive of judges, clerks, court administrators, court reporters, etc. The contract includes space for the meetings, group meals, lodging for the participants, break expenses, equipment rental, etc.

In addition to the expenses associated with the venue, we reimburse at per diem the expenses incurred by our participants to travel to the meeting sites. The current federal/state reimbursement for mileage is 50 cents per mile; however, we are not always able to reimburse at that rate. Also, we reimburse other expenses such as meals at a rate less than that authorized by the federal and state guidelines. However, with this increase we are hoping to bring our reimbursements more in line with the state/federal rates.
