The Board will also continue to focus on licensing opportunities for applicants through the Fresh Start Act, Military Family Freedom Act, and Universal Recognition of Occupational Licensure provisions set for by the Mississippi Legislature as well as other licensing requirements under the direction of this Board to further advance accessibility to licensure without undue restrictions.

Objective with Outcome Measure

- Continue to work with ITS and Mississippi Interactive to continue on-line projects for FY 2026. Priorities include: Implement additional on-line processes;
- improve reporting requirements to provide more accountability of on-line process through ITS;
- streamline management services to provide greater accessibility to applicants; and
- develop online process for massage establishment registrations

Agency's Internal Management System utilized to Evaluate its Performance

The Mississippi State Board of Massage Therapy was created by the legislature of the State of Mississippi to preserve and protect individual life and health, promote the public interest and welfare by providing for the licensure of massage therapists, schools, instructors and programs and assuring public safety. The Board was authorized to promulgate Rules and Regulations to carry out the provisions of the Mississippi Professional Massage Therapy Act. The Rules and Regulations are reviewed and revised regularly; and

- maintains a set of written policies and protocols to govern the internal actions of the Board. Additionally, the Board implements the following controls: The Board enforces a Conflict-of-Interest Policy;
- maintains an agency wide minority expenditure rate of at least 90%;
- complies with the requirements of the Occupational Licensing Review Board prior to filing any pending rules with the Mississippi SOS;
- complies with the Administrative Procedures Act as established by the Mississippi Secretary of State, including the SOS requirements under the Administrative Procedures rule of July 1, 2011;
- participates in the MAGIC Implementation Project as required by the Mississippi Management and Reporting System (MMRS) Steering Committee through the Department of Finance and Administration. The Executive Director serves as the Agency Readiness Manager (ARM) of this implementation project;
- complies with the Mandatory Risk Assessment recommendations as required of all Mississippi State agencies;
- complies with the Internal Control Section of the Mississippi Agency Accounting Policy and Procedures Manual and will conduct an annual evaluation of all internal controls including the organization and management, administration of accounting and budgeting, purchasing, and contracting, personnel and payroll, revenues and receivables, expenditures, grant administration, and electronic data processing attachments. The findings of the evaluation shall provide reasonable assurance that the assets of the agency have been preserved, the duties have been segregated by function, and the transactions executed are in accordance with the laws of the State of Mississippi. Material weaknesses in any of its functions must be identified and compliance efforts will be implemented;
- complies with the Affordable Care Act reporting requirements regarding agency participation in the DFA central process; and
- complies with the Military Family Freedom Act; the Universal Recognition of Occupational Licenses; and the Fresh Start Act, where applicable.

The Board is required by law to meet four (4) times annually; however currently meets about every six (6) weeks to conduct necessary business. Special care is taken to ensure that the needs of the general public are met and protected and that massage therapists, massage programs/schools and instructors adhere to the regulatory requirements for licensure. Board members work to correct any problems or deficiencies that impair or prohibit performing their duties entrusted to them by the Governor, their peers and the citizens of the State of Mississippi. The Board has all records computerized to reduce search times and to offer easier access to information pertaining to applicants, licenses, and complaints filed with the Board. The Board also has a regularly updated website to provide the public with easy access to copies of the Rules and Regulations, complaint forms, applications for licensure, telephone, and postal contact information, approved continuing education providers and programs and a database to search for the legal status of massage therapists and schools.

The Mississippi State Board of Massage Therapy has legal representation from the Attorney General's Office, Leyser Q. Hayes, and a managerial contract with Yvonne Laird, President of J-Bar and Associates, Inc. The Board has five (5) existing contracts with experienced inspectors geographically spread across the state and one investigator, on an as-needed basis to provide expert skills and knowledge of the profession during investigation and board hearings.

Non-general funds are used for the operation of the Board.
